HALF YEARLY MEETING – 2023

**OF ALL THE FOUR REGIONS UNDER THE
GRAND LODGE OF INDIA**

MESSAGE

I am glad to learn that combined Brochure for the Half Yearly Meetings/Special Meeting of all the four Regions is being published. The initiative of all the Regional Grand Masters to publish a Joint Brochure for the half yearly meetings of all the four Regions is welcome and really appreciable.

It is indeed a unique means of informing all the Brethren throughout the country about the Half Yearly Meetings being held at the four Regions, giving appropriate details about the programme, places of interest, and other relevant information to the brethren. It also gives the brethren the opportunity to plan their schedule in order to attend the meetings at various location in large numbers.

An interesting feature of the Half Yearly Meetings/Special Meeting of the four Regions this year is the fact that all the meetings are being held at smaller Masonic Centres (Daman no Lodge is existing) and hosted by one or two Lodges only.

I take this opportunity through this message to wish the Half Yearly Meetings/Special Meeting a grand success and I extend hearty greetings to the Brethren of all the four Regions and their family members long years of comfort and fulfilled desires. I hope to meet maximum number of Masons from all the Regions at Dhanbad, Mysuru, Jaipur and Daman.

It has many temples and hero stones that reflect the architecture and art forms of these dynasties, and these sites continue to attract visitors to this day.

What sets Mysuru apart from other heritage cities is the presence of living culture and art forms. The city has several art forms that are unique to the region, including Beesu Kamsale, Pattada Kunita, Mysuru Karaga, and Karadi Kunita. These art forms are still alive and continuing, with practitioners passing on their knowledge and skills to the next generation.
